

Farewell to ZRC Staff members

"When one door closes, another opens up."

It is with great sadness that we announce that the following staff members will no longer be working at Zululand Remedial Centre as from 2021. It has been a privilege to have you as part of our ZRC Team. The time that we have spent together, will be held dear.

We wish you all the best with your future endeavours.

"Making a big change is scary. Do you know what is scarier? Regret."

It is with a heavy heart that I bid farewell to Zululand Remedial School. The past 3 years has taught me a lot. I will forever be thankful for the experience that I have gained at ZRC. I will miss the wonderful Management and Staff and children of ZRC. I will be pursuing a new career. I wish only the best for the school and educators for the years to come.

"Unconditional positive regard makes a world's difference in a little person's life"

Next year I will work full-time at my own Private Practice so that I can spend more time with my daughter, enjoying shopping and going for walks on the beach. I have enjoyed working at ZRC and will miss the people and the teamwork. Remember to always be considerate and open-minded when it comes to children- it can make a big difference in a child's life.

"Do what you love, love what you do."

Saying goodbye is never easy. I will forever cherish the time spent with colleagues at ZRC. We have learnt a lot from each other, and I will surely miss you. I will be relocating- for now, I am going to keep myself busy- making sure that my family is settled, painting and being creative, reading and spending quality time together as a family. If you do what you love and what you are passionate about, you will never work a day in your life.
