Dear Parents

### **“LOCAL LISTINGS” FUNCTIONALITY - d6 Connect**

You would hopefully have seen the new “Local Listings” feature on the d6 Connect application. I would like to take this opportunity to recommend that you, as parents, advertise your business on the application for a cost of R90 (excl. VAT) / R103.50 (incl. VAT) per month for the listing of your business.

As you know, the Covid-19 epidemic has made it very difficult to raise extra funds as we are used to. All our large fundraisers had to be cancelled.

However, d6 has given us a golden opportunity to raise funds through the “Local Listings” functionality on the d6 Connect by rewarding the school with 50% cashback for every paying listing made.

This means that we can get money back every month if businesses register on the “Local Listings” and pay the R90 per month for advertising costs.

Local Listings **SELF-ONBOARDING** is available - you can upload your information and pay online, as easy as 1,2,3. **Click here** for the easy steps.

- **Click here** for more information.
- If you do not want to make use of the Self-onboarding option, **click here** to fill in a lead form. A friendly d6 consultant will contact you directly

Zululand Remedial Centre would appreciate it if you would participate in this initiative to ensure that we as a school can build up our funds.

Thank you that we can, as always, rely on you as parents.

Kind regards

*Mr D F Millin*
