Dear Parents/Guardians

Re: Closure of school and Study Pack Collections

The following study packs provision will apply as from today

- Gr 1 – Gr 3, Gr 7 and our IP 1 – IP 3 learners which are at school will receive all their study packs
- Study pack information will be handed out to ensure learners know exactly what be expected to complete during time at home
- Parents of learners of Gr 1 – Gr 3, Gr 7 and our IP 1 – IP 3 which are not at school need to collect the study packs between 12:00 – 13:00 only.
- Parents of the Gr 4 – Gr 6 learners may collect study packs from 13:00 – 15:00 today.
- All work has been set up and prepared for the duration of our closure of institution.
- All schoolwork loaded weekly to our school website will be halted and only be uploaded again as from 17/08/2020
- This is most essential for parents to assist and collect the study packs to ensure continuous learning as this study packs will form part of a continuous assessment mark allocation.
- All study packs need to be looked after and returned to school on the day of which is allocated to the return/ phase in date
- Study packs will be isolated for a period of time as well as sanitized before the study packs be marked for continuous assessment mark allocation

Parents need to sign the registers at the security gates as well as the collection form which will be at the educator.

ZRC will ensure that work for learners are prepared and therefore it still remains the responsibility as the parent/guardian to collect and support the learner to complete and be up to date with all schoolwork provided.

Any further communication and information will be forwarded to parents as soon as we receive any updated amendments regarding the return structure and phasing in of learners.

Regards

DJ Millin
