Zululand Remedial Centre

18 September 2020

Dear Parents / Guardians

RE: COMBINED AFRIKAANS CLASSES IN 2021:

Due to the phasing out of Afrikaans at Zululand Remedial Centre, the following will apply for 2021:

- Grade 4 and Grade 5 – Combined class
- Grade 6 and Grade 7 – Combined class

There will be an increase in the number of learners per class, as a result of having combined classes.

The School Governing Body has approved this decision at a recent SGB Meeting held.

The school has gradually phased out Afrikaans, due to the decline in Afrikaans learner numbers from 2017.

Academics in the combined classes will be compliant with the CAPS curriculum and parents are encouraged to support their child and the educators throughout the year.

Thank you.
