

03 February 2022

Dear Parents

This month is February – the month of love. We, at Zululand Remedial Centre, believe in looking after the community and one of the most important outreaches we have is our local SPCA.

The SPCA plays a very big part in our community, and they rely solely on the community for donations and funds. Every learner, parent and family member are thus encouraged to bring a donation to the school to help the SPCA.

Some suggestions for items to donate:

- Dog/cat dry food
- Dog/cat tin food
- Newspapers
- Towels/blankets
- Dog/cat toys

Parent we request that every learner to support our effort towards our donation to the SPCA as 14 February 2022, on Valentine's Day.

This is by far one of our biggest projects every year for the past 10 years, please support it.

Regards,

*DF Millin*
